CEMAL BASARAN RECEIVES ASME EPPD EXCELLENCE IN MECHANICS AWARD
October 24, 2011

CSEE Professor Cemal Basaran received the 2011 Electronic and Photonic Packaging Division (EPPD) Excellence in Mechanics Award from the American Society of Mechanical Engineers (ASME). The award honors outstanding contributions to the application of engineering mechanics in the field of electronic and/or photonic packaging, including stress analysis, reliability study, experimental methods and computational modeling. It will be presented at the ASME 2011 International Mechanical Engineering Congress & Exposition (IMECE) in Denver, Colorado on Thursday, November 17, 2011.
